Overview:

Modern Villa in Finca Cortesin with Panoramic Views

This exceptional modern villa, located in Green 10 within the prestigious Finca Cortesin Resort, offers a perfect blend of contemporary design, refined architecture and an unrivalled luxury lifestyle. The property features a spacious double-height living room filled with natural light thanks to its impressive floor-to-ceiling windows, creating a warm and sophisticated atmosphere. Expansive terraces extend seamlessly from the interior spaces, offering breathtaking panoramic views of the golf course and surrounding landscape.

With 6 generous bedrooms distributed across the main and upper levels, the villa provides comfort, privacy and a functional layout ideal for families or extended stays. The garden level includes a private pool, sunbathing areas and peaceful outdoor spaces designed for relaxation. Situated in one of the most exclusive communities on the Costa del Sol, this villa represents a rare opportunity to enjoy security, privacy and first-class luxury living.
