Overview:

Nueva Andalucía, Marbella – Los Olivos 2

Discover this exclusive luxury villa designed for both relaxation and stylish entertaining, located in one of the most prestigious areas of Nueva Andalucía, Marbella. The property is surrounded by a carefully landscaped garden with lush greenery, sculpted trees, and a welcoming pergola that creates an elegant shaded lounge area. A pristine private pool framed by smooth stone tiles becomes the outdoor centerpiece, while a spacious solarium with a bubbling jacuzzi on the upper terrace invites long afternoons of outdoor enjoyment.

Inside, the home conveys modern elegance with polished marble floors, clean recessed lighting, and bright open spaces. The main living and dining area flows seamlessly into a state-of-the-art kitchen featuring minimalist dark cabinetry, a large central island with seating, and premium built-in appliances. Floor-to-ceiling sliding doors connect the interior to a covered dining terrace with a built-in grill and generous seating — perfect for al fresco meals and unforgettable evenings.

Entertainment is a highlight at Los Olivos 2. On the lower level, a leisure room features a stylish bar, billiard table, and a comfortable lounge area with contemporary art accents, ideal for hosting guests or relaxing in total comfort. Adjacent to this space is a glass-enclosed private gym with exposed brick details, offering a sophisticated environment for workouts without leaving the villa.

The spacious master suite serves as a tranquil and exclusive retreat, designed to provide maximum comfort and privacy in this exceptional luxury villa in Marbella.
