Overview:

Casa Cazorla The Golden Mile

Casa Cazorla The Golden Mile is an exclusive luxury villa located in the prestigious Lomas de Marbella Club, in the heart of the Golden Mile of Marbella. Developed by Casas Fintech, this stunning contemporary architectural masterpiece perfectly combines elegance, privacy, and Mediterranean serenity in one of the most privileged areas of the Costa del Sol.

With a built area of 1,460 m² set on a 1,010 m² plot, this 7-bedroom villa stands out for its organic design, where wood and stone take center stage, bringing natural warmth to the interiors and harmonious integration with the outdoors. Floor-to-ceiling windows flood the home with natural light and seamlessly connect the interior spaces to panoramic terraces and landscaped gardens.

The layout has been carefully designed to balance privacy and social living. The main floor features a spacious open-plan living and dining area integrated with a light-wood kitchen, creating the social heart of the home. This level also includes a private guest suite with direct terrace access, ensuring comfort and independence.

Upstairs, three bright bedrooms open onto terraces, including two guest suites and a spectacular master suite with a walk-in closet and a luxurious bathroom featuring a rain shower and bathtub.

The lower level is dedicated to wellness and entertainment, offering a private spa with hammam, gym, wine cellar, office, playroom, and an additional en-suite bedroom. A unique modern luxury villa on Marbella's Golden Mile, ideal for those seeking exclusivity, comfort, and premium amenities.
